Product Specification

Product Name:
TransIT-CRISPR®

Product Number: T1706

TEST	Specification
------	---------------

Functional Assay	Confirmed
------------------	-----------

Meets specification when TransIT®CRISPR Reagent is tested for the transfection of plasmid DNA and small RNAs into A549 and CHO-K1-luc cells, respectively

Specification: PRD.0.ZQ5.10000099199

Sigma-Aldrich warrants, that at the time of the quality release or subsequent retest date this product conformed to the information contained in this publication. The current Specification sheet may be available at Sigma-Aldrich.com. For further inquiries, please contact Technical Service. Purchaser must determine the suitability of the product for its particular use. See reverse side of invoice or packing slip for additional terms and conditions of sale.
